★ The New Ranma Project ★

Our fun little story begins in the middle of book 17. The New Ranma Project was sparked off by a divine conjunction of events, those being we located and bought the import manga, got scanners, and scrounged from the internet a large number of scripts to tell us what the dialogue said, since we can't actually read a word of Japanese, or, as in the case with most of our import books, a Chinese translation of the original.

This is just under halfway through the Ranma 1/2 series. Our choice for beginning here was ruled by simple practicality. At the time, February of 1999, Viz's translations were nearing the end of Book 16 by the Japanese numbering system, and the earliest script we were able to locate on the net was book 17, part 5.

So, with a twinkle in our eyes, and not a clue that we'd keep at it so long, we began toying around with the idea of doing our own translations. As you will see, most of these early attempts are pretty mediocre, suffering from our inexperience with the task. But every project has to start somewhere. ^_^

It's mine
Geez Akane you sure are being persistent about this
NABIKI

Ranma, do you have a moment?

And doesn't realize she's not cute...
Yeah?

She's still a girl
You ARE engaged to her after all.
You should go say something nice to her.

Meet me behind the gym...
Ukyo
What's this about all of a sudden Ukyo?
I'm Ranma's fiance too...
Don't you think this is the proper way for two opposing fiance's to treat each other?

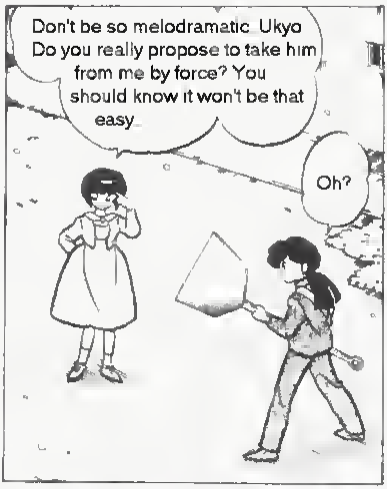
There's no way Nabiki is any kind of fighter like Akane is
All I have to do is pretend like I'm going to attack her. One good scare and...
SHE'LL HAVE TO SURRENDER RANMA TO ME!!!

WHAT?! Ukyo and Nabiki are...?
It sure looked like a duel!

Bah no choice!

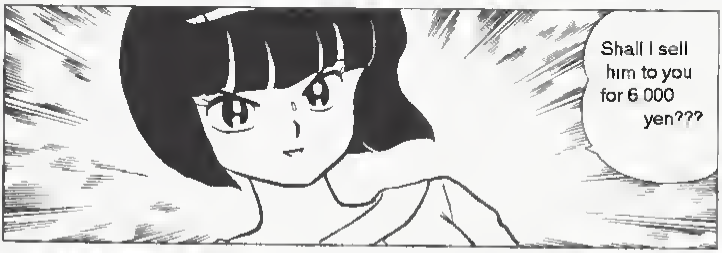
Akane! Shouldn't you be going too?
None of my business

Nabiki you fool!
Is being Ranma's fiance really worth risking your life over?

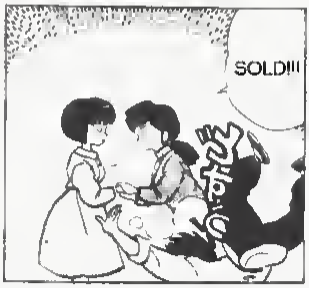


Don't be so melodramatic Ukyo
Do you really propose to take him from me by force? You should know it won't be that easy
Oh?

Pretty brave aren't you? Let's see what you're really made of!!!
Hey!

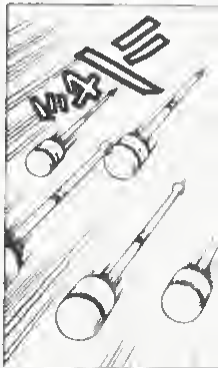


Shall I sell him to you for 6 000 yen???



SOLD!!!

Do whatever you want with him
YEEE! I'M SO HAPPY!!!
Hey!



HYAH!
How DARE you try to buy my DARLING Ranma for a measly 6,000 yen!
Ack!
A black rose blizzard!
I shall gladly pay sixty-ONE hundred yen for him!!!
How much did you bid?!
Oh hello! So nice to see you!
Black rose Kodachi No good can come of this
6 200 yen!!!
6 250 yen!!!
Keep it going girls!!!
6 300 yen!!!
6 350 yen!!!

You barely seem worth pocket money to them!
Why you...!

Danger!

Oh! Shampoo!

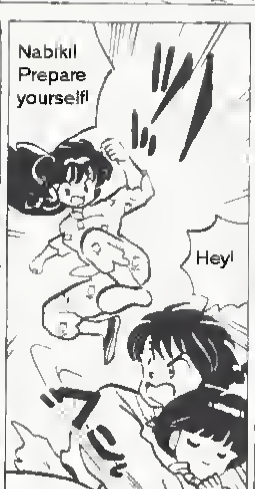
Move out of the way!

Nabiki Tendo! Prepare to DIE!
What luck! An ally that speaks my language.
Oh SHIT. This is not going according to plan.

Geez Nabiki What have you gotten yourself into?
What is she going to do now?
I suppose it doesn't matter Ranma will rescue her if anything happens
Oh Ranma! You saved my life! How can I ever thank you?
Think nothing of it! You're a defense-less girl I had to.
If it should happen again would you protect me again darling?
But of COURSE! What less could I do for my fiance?
Feh. The two of them? Intimate like that???
Hmph!
Totally ridiculous
Akane??? What on earth are you doing?
Nothing

I cannot allow my darling Ranma's fiance to live!!!
OW! OW! OW! OW! OWW!!!!!!
Behave yourself and come with me!!!

I'm so happy! You're taking all those blows just for me!
I'm also taking them because of you!!



Nabiki! Prepare yourself!
Hey!

Oops!

What are you doing to my Ran-chan?!?!

How dare both of you! Darling Ranma is MINE!
You think you can take him from me?
Hm?
Where Ranma go?
We let him get away!
That was close!
That HURT!
If I'm attacked again would you protect me Ranma?
NO WAY !!!!
Hm?

What are you doing down there Akane?
Nothing
You really should go make up with Ranma Akane
But
Is this situation really OK with you Akane?
Because it really doesn't matter to me personally which one of you girls is engaged to Ranma.
Just as long as you are happy with the decision in the end
Then again Father Nabiki said she plans to sell the Dojo and play for the rest of her life
Akane! I insist that you go and make up with Ranma!

Hmph! This is stupid. Those two can't possibly be serious about each other.
You girls are always fighting with each other. Now you've dragged poor innocent Ranma into the middle of it.
.....
I suppose it can't be helped. I'm going to have to talk to Nabiki and sort this mess out.
Ranma?
NABIKI
This has gone on long enough, Nabiki!
Don't I have enough trouble in my life without you running around spreading stories?
But they're true, aren't they? The change in fiance's I mean.
Just as I suspected. You're in love with Akane, aren't you???
WHAT?! Who'd be interested in that uncute macho jock chick?!
.....
NABIKI

Anyway, that has nothing to do with this current mess. It's your fault and you know it. Just go make up with Akane and end this.
Ranma!

Ranma... You... You really still don't understand. Do you?
About the way I feel?

Huh?

.....

This the one thing I thought it would be better not to tell you. But...

But for a long time now

I've been in love with you Ranma!
You've You're kidding right?!?!
I love you
B Bu But..?!
Nabiki!
You were serious?!?!

What's wrong? Don't you like Nabiki???

Well
That's a good point
At least Nabiki isn't some violent jock chick who's always pounding me for no good reason
It's actually a nice change now that I think about it. And it certainly doesn't hurt that she's pretty cute...
Gonna fight about it?
Well now that I've heard it clearly
I hope you and Nabiki will be very happy together
Eh?
HUH?!

Hello Ranma.
What did you want to talk to me about?
About yesterday

Do you really mean it?

Nabiki... I'm sorry...
But I can't become your fiance. There's just no way it would ever work out between us

I have no choice but to run away from home now!!!
Nabiki!!!

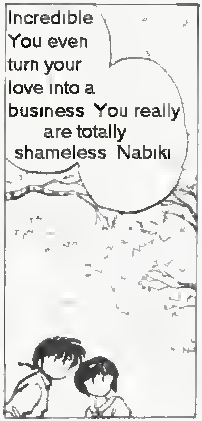
How would it look to others if I didn't carry pictures...
Of the one that I Love?

You were selling them!!!!!
Heavens NO! I could never sell things so dear to me!



Incredible You even turn your love into a business You really are totally shameless Nabiki

Nabiki Tendo! Here is your payment!!!

What? You don't want him?
Geez you're being stubborn, even for you If you love him you should just tell him already
I'm not like you Nabiki...

I'm Sorry, Ranma

WAHAHAHAHA!!! You actually thought I was serious?!?!
That bit about me being in love with Ranma? That was just a joke! Really!
That's not necessary Nabiki

That could only be true if you were a twisted and cruel person, Nabiki
I've been in love with you for a long time Ranma!
You couldn't have meant it as a joke
Akane...
How about 1 500 yen to have Ranma back?
You don't need to humor me that way either
A true bargain! Just 980 yen!
I told you to give that up

You love Ranma don't you? It's not very nice to keep on trying to sell him
Um Akane ?
It's alright Really
Oh... is that so?
...so tired...
DAMMIT NABIKI! This is the last straw.

I've had enough of this nonsense! I'm breaking up with her!
Come on out to the playfield!
I hear you'll work an hour for just 1,000 yen!
Yeah! We already gave Nabiki the rental fee so come on!

DAMN YOU NABIKI!!!
OH!! WELCOME HOME DARLING!!
HUH?!?!
Oh my
Darling?

You must be tired! Would you like to take a hot bath? I'll wash your back for you!
Wha... What did you just say?!?!
...ごごご

If you've got a problem with it why don't you just come at me??? I'm waiting!
Eh?
Hey
Darn
Here you go Ranma!
Open Wide!
What's the matter? After all we're engaged aren't we?
I can feed myself thank you!
This is scary!
Father, you really don't look well Perhaps we should call the doctor?

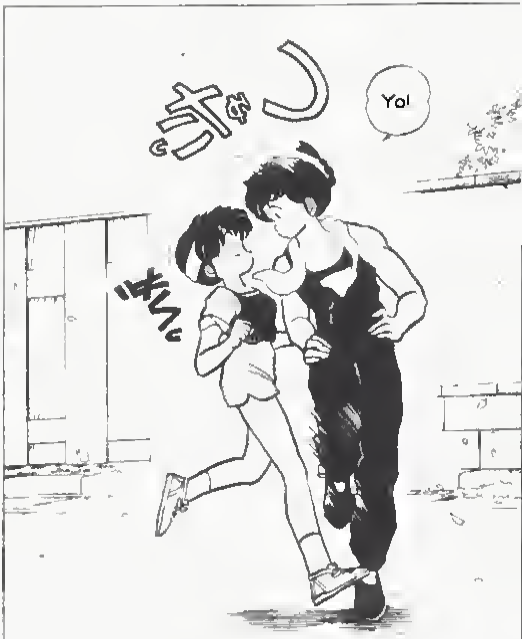
It's Fine. It's Fine. It's Fine.
I don't care.
I couldn't care less what is going on between Ranma and Nabiki.
That's it. Don't care at all. Not one little bit.
OH! Hello Ranma! Please come in! Make yourself comfy
Oh my! Stop it Ranma!

Oh you mustn't! We really shouldn't do such things until after we're married!
Heh! Heh! Heh! It's OK isn't it? After all we're engaged aren't we?
Tee hee! Good point!
RANMA!
ばん
SNAP
Feh! You're as easy to fool as ever Akane

Since you're incapable of taking a hint or even an anvil over the head I'll spell it out for you I'm going to keep right on doing things like this until you buy Ranma back from me
You wouldn't DARE
You think you can just go on doing whatever you please with Ranma forever?
And to top it off I won't sell him for less than
5 000 Yen
I'm not giving you anything!

I've got to make up with Ranma before we all go insane
Why don't you just save us all the trouble and become Nabiki's fiance!!!
Since I'm the one that said it to begin with

If I say "I'm sorry" that should finally fix things!

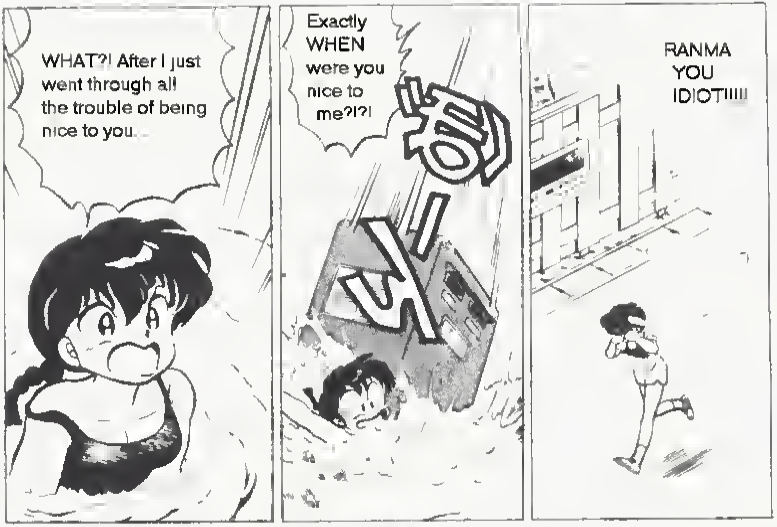


Yo!

BLUSH
Hm?
What's the big idea sneaking up on me!
Well..
I don't know why I'm doing this, but...
I came out here to apologize
Can't we just go back to the way things were before?
You mean... With us as fiance's?
Yeah..

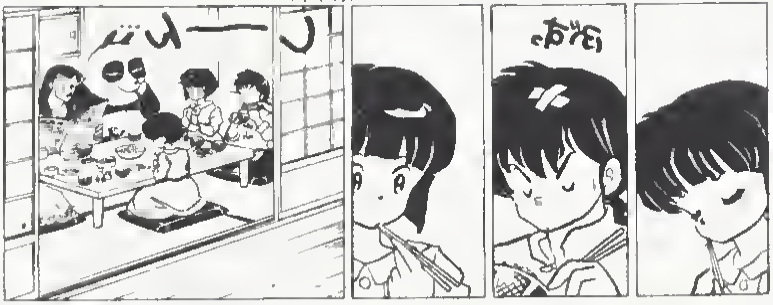
Heh heh
I'm glad
really
Is that
so?
I
I don't mind
But
Ranma
Yes?
Um
Well
You
know
It's really
all my
fault to
begin
with
Hey!
That's
great!
You're
finally
starting to
see it my
way!

Yeah that's the way it is
I'm just a victim of sibling rivalry gone out of control! It's such a relief that we can finally end this idiocy
This whole fiance nonsense is just another thing for you two to fight about! It never had anything to do with me to begin with!
Hell! I'd rather deal with YOUR violence than with your sister's insane scheming any day!!! WAHAHAHAHAHA AHAHAHAHAHA!!!!
ダッ
What the heck did you do that for?!?!
IDIOT! How can you be so utterly clueless and insensitive towards people's feelings!!!



WHAT?! After I just went through all the trouble of being nice to you...
Exactly WHEN were you nice to me?!?!
RANMA YOU IDIOT!!!!!

And just when I thought we were going to make up with each other!!!
IDIOT! IDIOT! IDIOT! IDIOT!



おかわり

I'll break up with you for just 6 000 yen!!! *
?

*Note to Oscar voters It's spelled N A B I ^_

Huh?
Dammit! I let him get away!
Nabiki's got Ranma totally fooled. That idiot
What kind of person am I
I've been in love with you for a long time. Ranma!
Even though I know about Nabiki's feelings... I've just been using her as a tool
What a heartless bastard I've been!!!

In order to stop hurting Nabiki
I've got to make up with Akane!
I'm sorry Akane It was all my fault
Let's make up

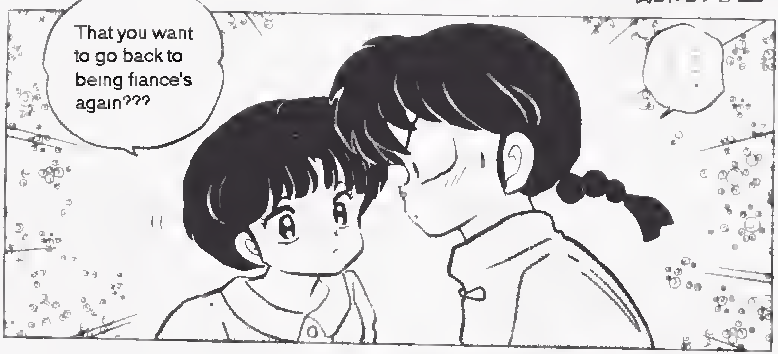
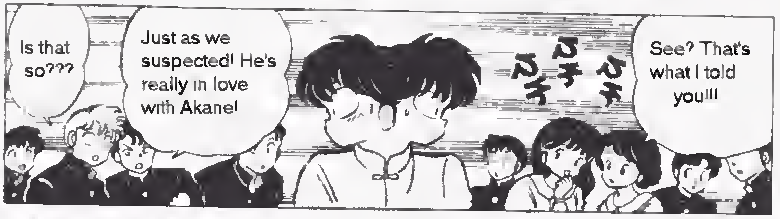
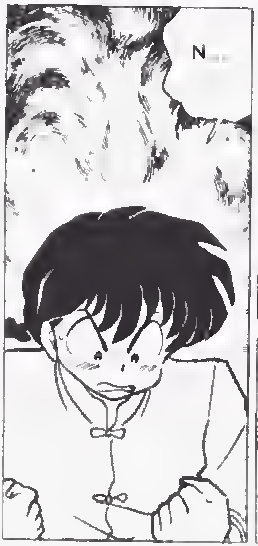
Well if you have nothing else to say
I'm ready to make up with you...
Yeah right. Like I really care.
Nabiki put you up to all this didn't she?
What?!
You obnoxious ingrate! I come to apologize and that's what you say to me?!
Is that so? Then I suppose this means that...



That you want to go back to being fiance's again???



Is that so???
Just as we suspected! He's really in love with Akane!
ガヤガヤ
See? That's what I told you!!!



N...

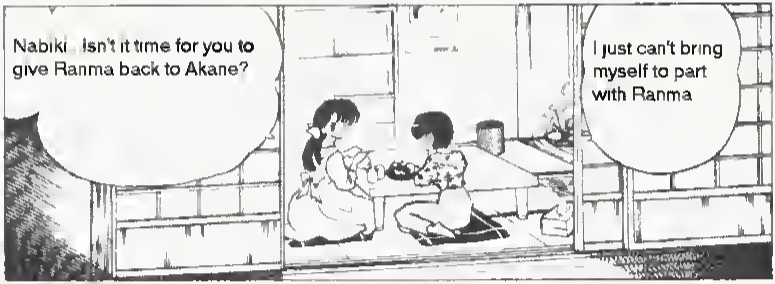
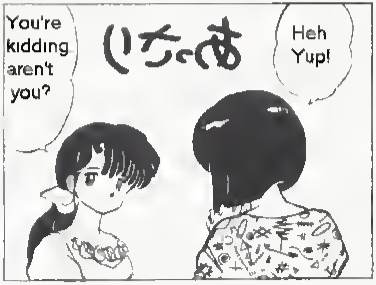
I let another chance to make up with him slip by me.



I've been in love with Ranma for such a long time now



WHAAA AAAA AAAT?!?!
ごご
Isn't that cruel of you, Nabiki? Teasing Ranma like that isn't nice
Oh come on

Ranma will be very upset if he finds out.

Ranma is such a coward with women
I'm not afraid of him at all He's too clueless

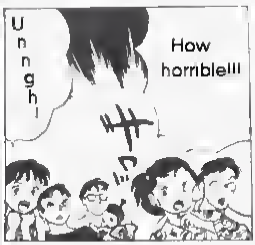
PART.11

It's Scary When You Turn Cursed Pages...Maybe.

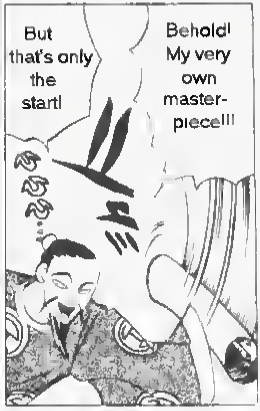
Come one! Come all!
See the mystical and mysterious ancient Chinese cursed paintings!
CURSED PAINTINGS
That one sounds interesting!
Let's go in!
Where are Ranma and Mr. Saotome?
I think they're lost
Behold! You see now before you three paintings
generations of wickedly cursed scrolls!

This first scroll...
My grandfather drew this and died a mere year later!

This second one...
My father drew this, and died three years later!!!



Unngh!
How horrible!!!



But that's only the start!
Behold! My very own master-piece!!!

DAMN YOU DAD! Give me back my takoyaki! (octopus on a stick)
Oh my! It's Ranma!

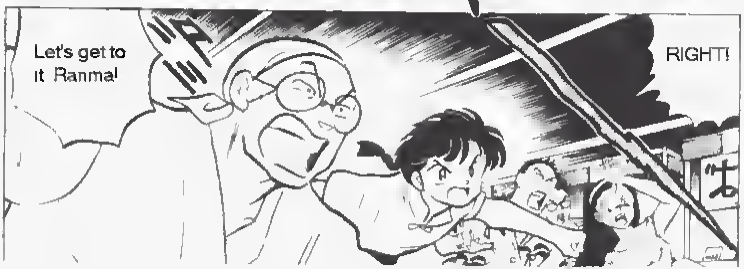
Hmph!
Oh NO!
The seal has fallen off!!!
YOU
What have you done?!
Huh?
EEEE!!!
The painting's spirit is escaping!!

The cursed painting...
Drawn upon the wickedly cursed scroll using the wickedly cursed brush!

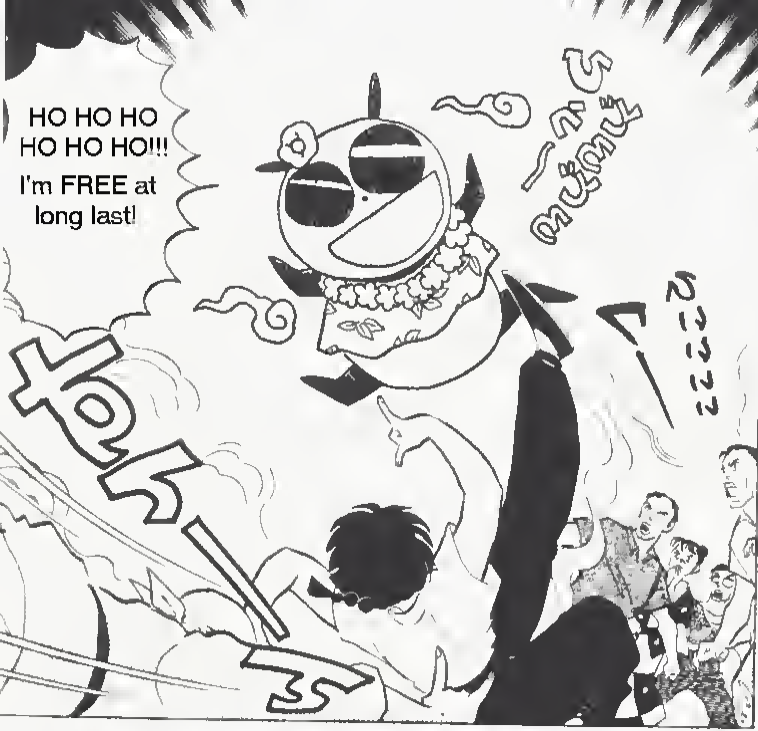
You've torn off the sealing talisman!

T-Then that thing is...?
My wickedly cursed masterpiece has been released into the world!!!

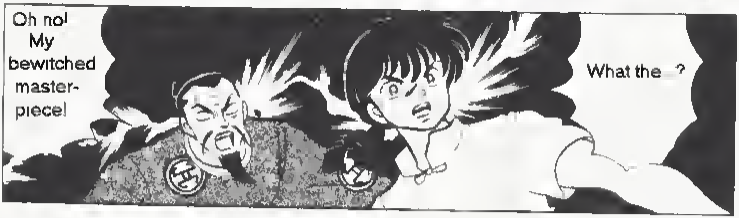
A GHOOOST!!!



Let's get to it Ranma!
RIGHT!



HO HO HO
HO HO HO!!!
I'm FREE at
long last!
ออกมาได้แล้ว
ววววว
ตึก!

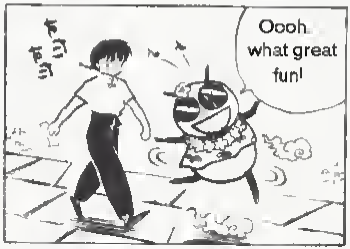


Oh no!
My
bewitched
master-
piece!
What the ?

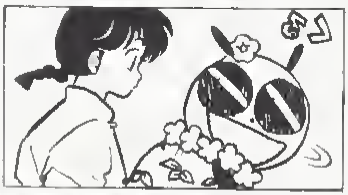
What on
earth is
THAT?!
It's a Panda of
course! Can't you
tell?
Oh yes
I see!
Abstract
art!
Actually
Kasumi
I think it's
just plain
crappy art

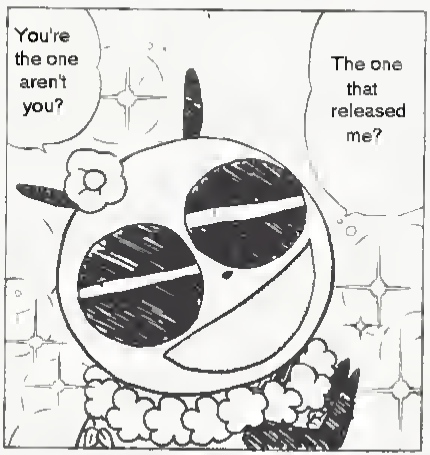
Huh?

Since you are the one that released this wickedly cursed creature you must place this talisman upon it! Then and only then will it revert to a painting
Right!



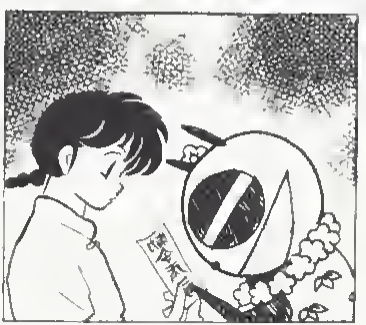
Oooh what great fun!





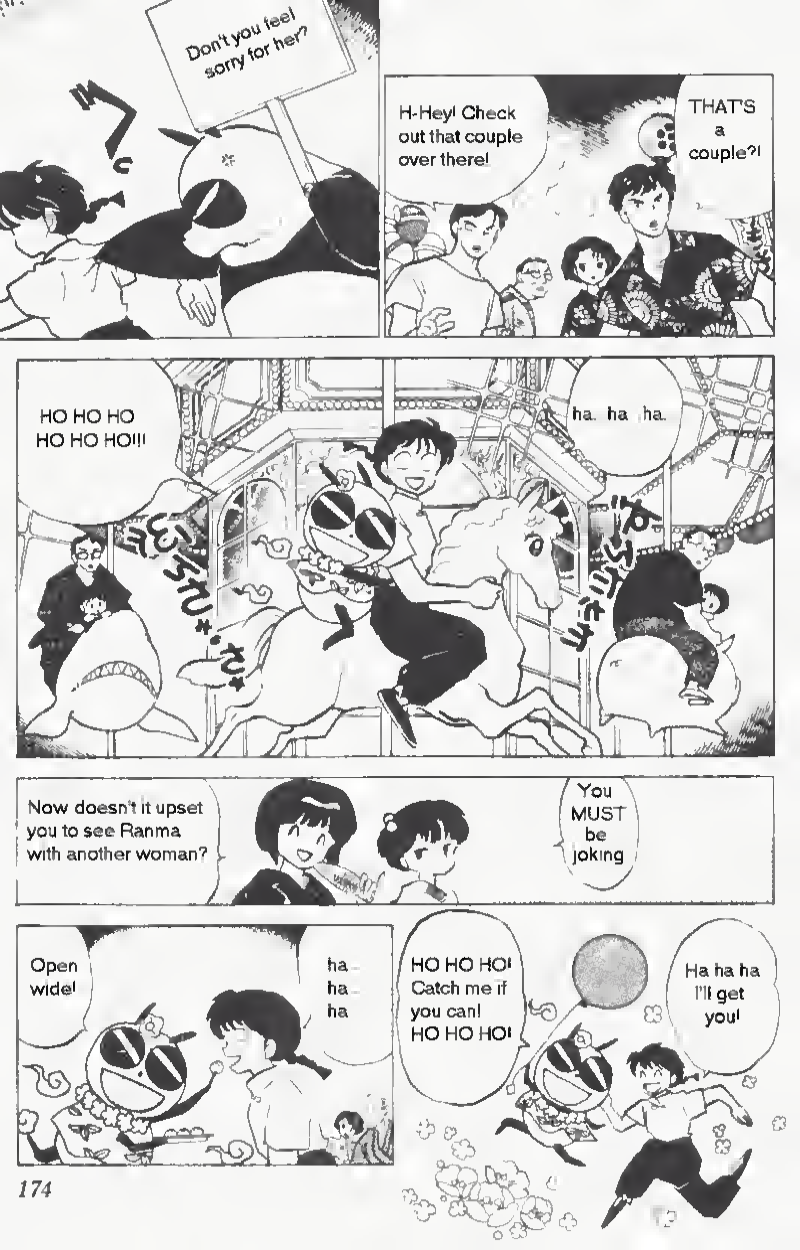
You're the one aren't you?
The one that released me?

Thank you ever so much!!!



EEEEEEEK!!! OH NO! Please don't make me go back into that painting! Please no!!!
Hey is that a female Panda?
Of course it is! Can't you tell just by looking at it?
Oh please! If you must return me to that horrid stall...
I would so very much like to go on a date before I go back...
It's a little dream of mine
But I suppose now I'll never get the chance
What a sad creature!
Well she certainly doesn't seem like a wicked brute As long as it's just for tonight...
I suppose it couldn't hurt.

If we could help fulfill your dream would you go back quietly then?
Hey POP Don't you feel sorry for her???
And what exactly are YOU planning?!
Here ya go! The perfect boyfriend for you!
EEEEEEK!!! Oh dear NO!!!
"SOB!" And just when I thought my dream would come true!
I have to date with this ugly Panda?!

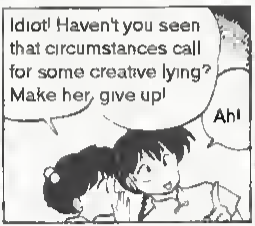


Don't you feel sorry for her?
H-Hey! Check out that couple over there!
THAT'S a couple?!
HO HO HO HO HO HO!!!
ha ha ha
Now doesn't it upset you to see Ranma with another woman?
You MUST be joking
Open wide!
ha ha ha
HO HO HO! Catch me if you can! HO HO HO!
Ha ha ha I'll get you!

What the HELL am I doing?!?!
Hey! Where's the talisman? Cough it up fast!
It's gone
WHAT?
This is dreadful! I can't imagine where it could have gotten to!
HURRY!!!!
Ooooh RANMA!!!
You'll have no choice but to put her back into the scroll by force!
Ranma... You know that this is karma. In the end monsters and martial artists are always fated to battle each other. Better to give in to it now
Isn't this wonderful?!?!
ha... ha... ha.
HO HO HO!

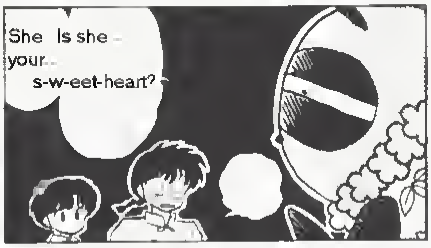
Ah Ranma. Indecisionboy strikes again.
I think he's just trying to be kind to her
Geez. I guess it's time for me to step in or this'll never end.

Ranma. Listen to me for a moment
Akane? What do you want?



Idiot! Haven't you seen that circumstances call for some creative lying? Make her give up!
Ah!

Ranma. This person

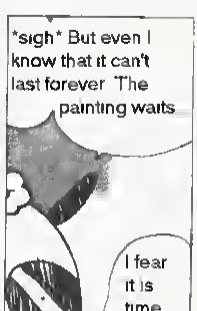


She. Is she your... s-w-eet-heart?

NO! NO! NO! NO! You've got it all wrong! Really!

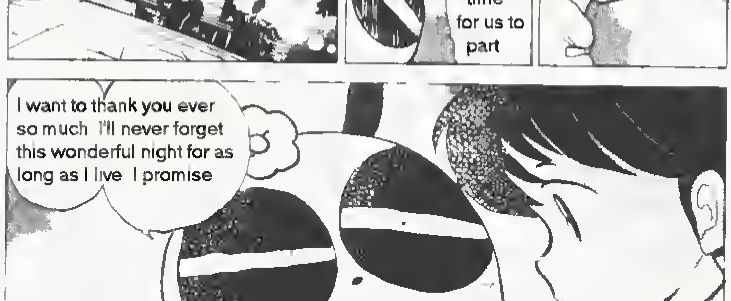
Even in circumstances like this you can't still expect me to put up with that!!!

Yeee! I'm so very happy! I want this night to last forever and ever!
ha ha. ha



sigh But even I know that it can't last forever. The painting waits.
I fear it is time for us to part

Oh?



I want to thank you ever so much. I'll never forget this wonderful night for as long as I live. I promise.

Well... um... Yeah I guess it's been fun.

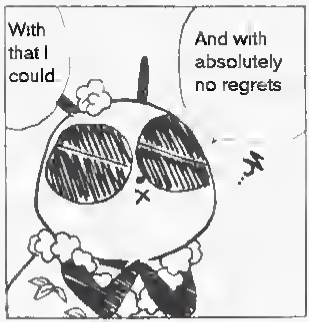
If I could, there's just one more thing I've wanted to make this dream complete...

Sure. What can I do for you?
Hey I've come this far. I might as well finish the job right.

A Good-night...
KISS
I

Like HELL!
Relax Akane! After all, she's only graffiti y'know. What will it matter?

My perfect dream goodbye kiss!
Happy End



With that I could...
And with absolutely no regrets

I CAN'T
A goodbye k
k... k...
Tears ?
Of happiness?
Ranma...
He can't possibly
Get on with it!
Yeah no kidding! We've been waiting 20 minutes!
Ranma?
I'm over here
Come! Kiss me like there's no tomorrow!
ACK!
Hey you two! STOP IT!

Ouch He's gonna feel that in the morning
Thank you so much!
Good byeee eeel!!
Did you have fun?
YUP!!!
I guess she wanted a kiss on her forehead all along!
Ah Ranma Your duty is complete
Behold! My master-piece!
Look it's Ranma! Isn't that sweet? He drew them together for her!
They look happy together!
